# 2015 FINANCIAL REPORT

# **AND**

2016 Annual Budget

Treasurer Jane Givens

Finance Chair David Hamlin

Investment Committee Chair Kevin McClintock

# Treasurer's Report

Financially, 2015, has been a solid one for St. Andrew's. Our Great Expectations stewardship drive gave us the confidence to return to a three-clergyperson operation, and the fulfillment of those pledges was largely realized. At the same time, our expenditures were generally well-controlled. Finishing 2015 with revenues slightly over goal and expenses slightly under goal is a desirable, but often elusive, accomplishment. I'm pleased to report that we closed 2015 with a healthy operating surplus of \$111,664. In addition, we have larger than usual bank balances going into the new year.

Such a large surplus is not the goal of St. Andrew's, however. The most significant influence on this performance was that we projected our compensation and benefits expenses at a higher level than was played out; the anticipated spring hire of a third clergyperson did not occur until August, along with lower health insurance requirements.

Another important element in our positive finish was that our contributory revenue (the combination of pledge payments, gifts, and plate donations) exceeded our goal by over \$14,000. This, combined with a very profitable Bargain Haul and expected performance from most of our other income-producing sources, created a revenue position at 101% of goal.

Our expenses, including compensation and benefits described above, were at 92.7% of budget. The devastating winter created an environment in which it was very difficult to hire tradespeople (contractors, roofers, painters, etc.) to complete some of the planned repair and maintenance projects. Instead, they had to "fix" the winter's wrath. A number of these projects will be rolled forward into 2016 for completion.

I'm also proud of some major accomplishments this year that aren't reflected in the numbers on the financial reports. With the guidance and support of the rector and wardens, we have made some procedural changes that will streamline the back-office functions. Heartfelt thanks for their contributions also go out to David Hamlin and the finance committee, with particular mention to Kent Bonniwell and Kevin McClintock.

It would be impossible to fulfill the responsibilities of this job without the steadfast contributions of Ruth Hubert, the financial secretary, who has continued to be a congenial and resourceful partner. In addition, our Sunday collection counter crew has grown this year, adding Ingrid Carls and Linda Gallo to the reliable team of Josepha Dermer, David Giele, Meg Harris, and Pat MacKinnon.

As I complete my second and final term as Treasurer, I'd like to thank you for your confidence in allowing me to serve in this capacity and for your financial support of our parish's missions.

— Jane Givens, Treasurer

# St. Andrew's Episcopal Church Notes to the Financial Statements

# 1. Summary of Accounting Policies

The significant accounting policies followed are described below to enhance the usefulness of the financial statements to the reader.

#### a. Organization and Tax Status

Saint Andrew's Episcopal Church (the "church") was originally founded as a mission and later became a parish on March 22, 1892. The church is exempt from income tax under Section 501(c)(3) of the U.S. Internal Revenue Code ("Code") and comparable state law, and contributions to it are tax deductible within the limitations prescribed by the Code. The church, however, is subject to tax on income from the conduct of any trade or business that is not substantially related to the exercise or performance of its religious purpose constituting the basis for its tax exemption (the "unrelated business income tax").

## b. Basis of Accounting

The accompanying financial statements and other financial information have been prepared in accordance with accounting principles generally accepted in the United States and in accordance with the accrual method of accounting. Thus, revenues and expenses are identified with specific periods of time and regarded as earned or incurred without regard to the date of receipt or disbursement of cash.

#### c. Contributions

The church accounts for contributions when received. All contributions are considered to be available for unrestricted use unless specifically restricted by the donor.

#### d. Property and Equipment

Property is stated at cost except for donated property which is stated at fair market value at the date of receipt. Expenditures for major renewals and betterments with a cost of \$10,000 or more and that extend the useful life of property are capitalized. Expenditures for maintenance and repairs and betterments not exceeding \$10,000 are charged to expense as incurred. Depreciation is provided on a straight-line basis.

#### e. Contributed Services

A substantial number of unpaid volunteers have made significant contributions of their time to the church's programs. The value of this contributed time is not susceptible to objective measurement and is not reflected in these statements.

#### f. Investments

Investments in securities are presented in the financial statements at Fair Market Value, with the resulting realized and unrealized gains and losses included in the Statement of Activities, using an average cost method. Investment income is reflected net of management and custodial fees.

#### g. Pledges Receivable

Pledges receivable represent promises from donors to give and are expected to be collected within one year from the date of the statement of financial position.

## 2. Description of Funds

#### a. The General Fund

The General Fund accounts for all expenditures related to unrestricted support and revenue. It also accounts for all assets (other than fixed assets) and liabilities of the church that have not been restricted.

#### b. The Agency Fund

This fund includes contributions designated by the donors, by the sources, or by the vestry to be temporarily restricted and disbursed in a specified manner.

#### c. The Endowment Fund

Endowment Fund comprises accumulated gifts received by the church, designated by the donors or the vestry as endowment, and accepted by the vestry into the Endowment Fund. The vestry has an approved spending policy from the endowment to support operating expenses. The current policy of the finance committee transfers from the Endowment Fund to the General Fund an amount calculated to be 4.5% of average fair value of the Endowment Fund for the prior three years (the "4.5% Rule"). This amount is reported as revenue in the General Fund.

The Endowment Fund comprises five separate restricted funds that had fair market values at the end of 2014 and 2015 as follows:

Fund	2014	2015
General Endowment	2,919,631	2,829,128
Lamerton Endowment	57,922	58,243
Music Endowment	88,051	88,453
Outreach Endowment	129,666	130,200
Property Endowment	28,780	28,298
	3,224,050	3,134,322

#### d. The Plant Fund

The Plant Fund accounts for the church's buildings, land, and all major improvements.

# 3. Contributions and Bequests

The various Funds received contributions and bequests during the year as follows:

Pledge Payments	\$ 838,441
Gifts	58,357
Plate Offerings	38,509
Special Collections	2,523
Flower Guild	14,023
Agency Outreach	10,333
St. Stephen's	4,902
Memorials	2,400
Bequests	75,600
Music	<u>5,500</u>
	\$1,050,588

The amount of unpaid pledges at the end of 2015 for the 2015 stewardship campaign "Great Expectations" was \$30,737, some of which is expected to be paid and recorded as revenue in 2016. The amount of unpaid 2014 pledges at the end of 2014 was \$29,295, of which \$5,212 was collected and recorded as revenue in 2015.

#### 4. Investments & Investment Return

Investment income, as presented in the accompanying Statement of Activities, is reflected net of management and custodial fees. Detailed information on investment composition and performance can be found on pages 11-12 of this report.

# 5. Special Events (net of expenses)

The church conducted just one major fund raising event during 2015. Bargain Haul in May yielded net income of \$30,643 (compared to \$31,301 in 2014).

# 6. Income from Properties and Property Related Costs

The General Fund received \$45,575 from the rental of the two apartments at 7 Denton Road, reflecting full occupancy of both units. It received \$71,816 from the Montessori school and \$16,495 from other groups for the use of the church's facilities.

The \$62,240 spent for repair & maintenance in 2015 does <u>not</u> include an additional \$25,700 in repairs for damage from last winter's storms, for which we received insurance reimbursement. Included in the \$62,240 were replacement of a roof hatch, roof work, repair of the Denton Road walkway, tree work, and painting. Other operating property-related expenses included utilities for the three properties (\$39,528, of which \$12,167 was for heating the church), property insurance (\$22,509), and property tax (\$886).

#### 7. Outreach

The General Fund expended \$31,000 on outreach in 2015. Among the recipients were St. Stephen's Church in Boston's South End, El Hogar, Family Promise Metrowest, Salvation Army Framingham, Wellesley Food Pantry, and Wellesley Friendly Aid Society. The Agency Fund had \$20,316 of outreach donations in 2015, including St. Stephen's, El Hogar, Heifer International, Wellesley Food Pantry, and Health Care Without Walls. In addition, the Church's contribution (\$30,000) to the Bishop's Capital Fund "Together Now" is directed primarily at outreach activities, as are the Rector's Discretionary Fund (\$15,449) and Theological Education (\$8,000).

#### 8. Diocesan Assessment

The church pays an assessment to The Episcopal Diocese of Massachusetts representing its share of diocesan expenses. The 2015 assessment was based upon a percentage of the church's 2012 operating expenses (exclusive of outreach expenses). The church's assessment for 2015 was \$137,382 (\$131,141 in 2014), payable in monthly installments to the diocese.

#### 9. Employee Benefits

The church pays health care insurance premiums for full-time and certain part-time employees who elect to participate. The church paid \$97,802 in health care premiums during the year.

The church funds defined contribution pension plans covering lay employees, contributing between 5% and 9% of employee compensation, depending upon the employee contribution. In 2015 the church contributed \$18,599 to defined contribution pension plans covering lay employees. In addition, the church paid \$21,305 for Social Security and Medicare.

The church also provides pension benefits for the clergy through a national plan. This plan is a defined benefit pension plan funded by specific assessments charged to the church based on a specified percentage of compensation. The church contributed \$48,520 to the clergy defined benefit pension plan in 2015.

#### 10. Related Parties

The church and the diocese are related parties in that the church is a parish of the diocese and, as previously mentioned, pays an assessment to the diocese. The church occasionally has immaterial amounts due from employees that are repaid on a timely basis during the year. The church had no other material related party transactions during the year.

#### 11. Commitments

The church has contracts only for a Ricoh copying machine with rental payments in 2015 of \$5,910. There were no leases of property under an operating lease in 2015.

# 12. Contingent Liabilities and Assets

The church had no contingent liabilities or assets in any of its funds at the end of 2015.

### St. Andrew's Episcopal Church December 31, 2015 Endowment Update

#### Total Investments at 12/31/2015 were \$3,132,200

#### **Investment Positioning – 12/31/2015**

Equities	42%
Int'l Equities	11%
Bonds	47%

#### Commentary

St. Andrew's endowment finished 2015 with total assets of \$3,132,200. The portfolio returned 0.80% versus a 45%US/15%Int'l/40% Bond target allocation return of +0.15% and versus a 60%Equity/40% Bond Benchmark return of +1.00%.

Investment performance was helped by being underweighted international equities, exposure to US mid-cap stocks, and exposure to short-term bonds. Investment performance was hurt by exposure to US small-cap stocks, high-yield bonds, and inflation protected securities.

The asset mix of the portfolio ended the year with 42% US equities, 11% international equities, and 47% bonds. This year-end allocation reflects several in progress fund transitions for accounting reasons. Once the changes have been completed in January, the portfolio will be closer to our target allocations of 45%US/15%Int'1/40% Bonds.
