## Making a Planned Gift to St. Andrew's

Saint Andrew's Church benefits greatly from planned gifts made by parishioners through a will or trust agreement. Many members of our community have already made these arrangements to help assure the future well-being of Saint Andrew's beyond their lifetime through the Saint Andrew's Legacy Society.

A bequest in a will can take the form of a specific amount of money, a percentage of an estate, a specific asset, a trust, or the naming of Saint Andrew's as a contingent beneficiary. You may choose to have your name included or not in the roster of the Legacy Society. Gifts of this type may be designated for the church's operating fund or for its endowment.

Other types of planned giving options – such as Charitable Gift Annuities and Charitable Trusts – can be arranged through the Episcopal Church Foundation to benefit Saint Andrew's. *We are deeply grateful for your generosity*.
