November 27, 2022

Taizé Chanting is a meditative chant, first sung in Taizé, France, which invites the singer into a meditative prayer while the singing of the chant regulates the breath. The singing makes room for a prayerful music during the chanting, and a prayerful silence after the singing ends. Please join each chant when you feel ready to join it; we will repeat each chant a number of times. The Cantor will begin the singing; you are invited to join in, as the chant is repeated.

Taizé Chant: "Dona Nobis Pacem" (Bring Us Peace)

Holy Scripture Reading from Luke 1:46-55

And Mary said, "My soul magnifies the Lord, and my spirit rejoices in God my Savior, For he has looked with favor on the lowliness of his servant. Surely, from now on, all generations will call me blessed; for the Might One has done great things for me, and holy is his name. His mercy is for those who fear him from generation to generation. He has shown strength with is arm; he has scattered the proud in the thoughts of their hearts. He has brought down the powerful from their thrones and lifted up the lowly; he has filled the hungry with good things, and sent the rich away empty. He has helped his servant Israel, in remembrance of his mercy, according to the promise he made to our ancestors, to Abraham and his descendants forever."
